

# KYSCI TO HOST MEMBERS ONLY ONLINE AUCTION & PRE-ONLINE AUCTION SOCIAL

***IF THERE ARE BARGAINS TO BE HAD, WE WANT KYSCI MEMBERS TO HAVE THEM!***

Traditionally, the Kentuckiana Chapter of SCI would be putting the final touches on our Annual KYSCI Fundraiser Banquet and Live Auction. During 2020, many chapters had to cancel or postpone their events due to COVID 19, but just before the world changed, our chapter was fortunate to hold an enjoyable and successful fundraising event and, as a result, we have been able to continue supporting chapter programs and projects.

Unfortunately, COVID 19 continues to linger, and mandates preventing large groups from gathering have forced our chapter to look at alternative ways to socialize and to raise funds. The disappointment of not being able to hold a face-to-face event is indescribable but knowing the importance of continuing to fund our mission projects remains front and center. Holding out hope for an in-person event, your Fundraiser Auction Committee worked hard to put together an incredible auction program which literally includes something for everyone!

***If you are a current member of SCI and KYSCI, update your information and be eligible to bid from home and to win an exciting African Safari! Your Board not only wants to raise funds to continue KYSCI's work, but **we miss being in touch with all of you**; therefore, on March 27, 2021 beginning at 3:00 PM (all times Eastern) we will host a pre-online auction **KYSCI Chapter Member Social** wherein we have invited chapter members, outfitters, and donors to "visit virtually" by a zoom meeting! (For how-to information and updates check our Facebook page at [www.facebook.com/SCI.kentuckiana](https://www.facebook.com/SCI.kentuckiana) and our chapter website at [www.kentuckianasci.com](http://www.kentuckianasci.com).)

At 4:00 PM, we will begin showcasing our **Online Auction Program**. During the auction showcasing portion of the program, we will describe each auction item and open "the floor" for the outfitters and donors to talk about their donation and take questions, then we will open "the floor" to everyone as a general "Social" once again. The actual auction will begin at 8:00 PM on March 27<sup>th</sup> and close on April 3, 2021 at 8:00 PM.

Now, more than ever we know times are uncertain. Our fundraiser provides the resources to continue our conservation, education and humanitarian programs. It is vital to support Kentuckiana Chapter of SCI to keep our mission strong for future generations. Please update your information or join the Chapter and join the fun online on March 27<sup>th</sup> and follow the bidding (and bid) through April 3<sup>rd</sup>. Past successes lead to future progress! Join us! It will be so good to see old friends faces and meet new friends.

We hope to "see" you there!
